How to Pay for Your OT Mom E-Books

1) Make your payment by EFT (NO cash deposits, please, as I incur large bank fees for these!) Reference is *E-Books - YOUR SURNAME*

2) Send me an email specifying your name and the e-books you have ordered, as these are not given in the bank generated payment notification. Use the subject SA E-Book payment, and attach your proof of payment. Email all the details to me at ebooks@ot-mom-learning-activities.com . Please specify the name of the Organisation if you are purchasing an Organisation version.

I need these details by email in order to manually send you the download links for the e-books you purchased. If I do not receive these details, I will not know where to send the download links for the e-books! 😊

3) Once the funds are cleared, I will manually activate a download link for you, which will be sent to the email address you provide. This may take 2 -3 days as I do not get to my PC daily, and sometimes the funds do not clear immediately. Thank you for understanding.
